

THANK YOU TO OUR TOURNAMENT SPONSOR

Spring 2019

Dear Friend of Autism Ontario Kids (AOK) Camp

Plans are underway for our [8th Annual Charity Golf Classic](#) on Thursday, September 19th at Cedar Brae Golf Club in support of AOK Camp.

Can you help us? We are requesting donated items for our **raffle prize** and **silent auction** tables and smaller items to help us fill **loot bags** for 144 golfers. Any level of contribution is gratefully accepted. For additional information, or to offer sponsorship/donation, please contact us at [autismyorkcharitygolf@gmail.com](mailto:autismyorkcharitygolf@gmail.com) or (905) 780-1590.

All proceeds from this event go towards our [specialized summer day programs](#) for campers living with autism. Please take time to view our short video [A Day at AOK Camp](#) to see how your support makes a difference for our camp families.

Autism Spectrum Disorder (ASD), commonly referred to as Autism, is a complex developmental brain disorder caused by a combination of genetic and environmental influences. ASD is characterized, in varying degrees, by communication difficulties, social and behavioural challenges, and repetitive behaviours.

Thank you from our Volunteer Co-Chairs
